¡ Buen trabajo, Josh!

Grand Total 24

Although I am now satisfied with the wording in the rubric for the given categories, I need to add a 4th category to reflect the communication standard. I want students to realize that communication is more important than the errors they may make. The cohesiveness of the ideas should be emphasized even in a formulary poem such as this.

possibilities:

confusing or conflicting picture of poet
 some personality revealed
 clear picture of personality given
