mobile app

To enhance your experience at the 2018 ACTFL Annual Convention and World Languages Expo, we're providing a state-of-the-art mobile app to give you important conference information right at your fingertips. With this app, you can do all this and much more!

Note: A wireless Internet connection or 3G network is required to use this feature.

CREATE YOUR OWN CUSTOM SCHEDULE

Browse the schedule by day and click on each event for more details, including title, time, location, room number, applicable languages, and full description. Build your own itinerary here. If you created an Itinerary in the Online Convention Program, you can access it on the mobile app.

USE THE GLOBAL SEARCH FEATURE

Search for presentations and events by typing in a partial or full title, keyword, or the presenter's first OR last name (not both).

CONNECT WITH EXHIBITORS

Search for exhibitors by both company name and booth number, or search alphabetically. You'll be able to pull up each company's information and view their location in the exhibit hall! You can also select booths that you want to visit and add them to your own personal schedule.

UTILIZE SOCIAL NETWORKING TOOLS

Make sure to check ACTFL's Facebook and Twitter accounts throughout the convention to network with fellow attendees, and to post photos and stories from your New Orleans experience. Don't forget to use the #ACTFL18 hashtag while tweeting so you can join the conversation!
