# ACTFL CERTIFIED OPI TESTERS

---

## DESCRIPTION OF ACTFL TESTERS

ACTFL Certified Testers are specialized language professionals who have completed a rigorous training process and have met the criteria established for certification by ACTFL. They represent a critical resource to their academic institutions and to the world languages profession in general. ACTFL OPI Tester Certification is a highly valued professional credential that is recognized nationally and internationally.

The awarding of certification as an ACTFL OPI Tester is validation of one's understanding of the principles and concepts of oral proficiency testing and of one's ability to apply theory to practice. Certification as an ACTFL OPI Tester acknowledges a tester's ability to elicit and rate oral proficiency interviews with a high degree of reliability.

ACTFL offers two levels of tester Certification. ACTFL Testers with **Full Certification** are authorized to conduct and rate ACTFL OPIs across all proficiency levels. Testers with **Limited Certification** are authorized to conduct and rate ACTFL OPIs only at the Novice and Intermediate levels.

---

## RIGHTS AND RESPONSIBILITIES OF ACTFL OPI TESTERS

ACTFL Certified Testers are authorized to conduct OPIs and to assign Advisory ratings within their own academic institutions. ACTFL Certified Testers are only authorized to conduct ACTFL testing outside of their academic institutions through the ACTFL Testing Office, Language Testing International (LTI). They may not perform ACTFL OPIs outside of their own academic institutions without the expressed written permission of ACTFL. ACTFL Certified Testers are not authorized to conduct ACTFL training.

ACTFL Certified Testers agree to conduct ACTFL OPIs in accordance with the policies, procedures, and protocols established by ACTFL. ACTFL Certified Testers agree to follow Refreshing and Recertification procedures, and uphold the highest professional and ethical standards in test administration and rating.

ACTFL OPI Tester Certification is valid for a maximum of four years, at the end of which all testers must recertify to maintain Certification. The procedures and fees for Recertification depend upon how active a tester has been during the previous four years of Certification.

# DEFINITION OF ACTFL RATING TERMS

---

## OFFICIAL ACTFL OPI RATING

An Official ACTFL OPI is an oral proficiency interview that is conducted by an ACTFL Certified Tester according to ACTFL testing protocol and professional standards and is blindly double rated under the supervision of the ACTFL Testing Office. Only ACTFL, through the ACTFL Testing Office, may issue an Official ACTFL OPI Rating and Certificate.

---

## ADVISORY OPI RATING

An Advisory OPI is an oral proficiency interview that is conducted by ACTFL Certified Testers within a tester's own academic institution. Advisory OPIs are conducted according to ACTFL testing protocol and professional standards. Advisory OPI ratings are appropriate for internal purposes only, such as placement, entrance and/or exit requirements, articulation, or program evaluation.

The tester may assign an Advisory rating and issue a letter indicating that it is an Advisory OPI rating. Under specific circumstances, an Advisory OPI may be submitted to the ACTFL Testing Office to be made Official (Institutional Upgrade). Only currently certified ACTFL testers may assign Advisory OPI ratings. Advisory ratings are not validated by ACTFL.

---

## USE OF ACTFL TERMS

While the terms "OPI" and "oral proficiency interview" exist in academia and in other testing environments, the terms "ACTFL OPI," "Official ACTFL OPI," "Advisory ACTFL OPI," and the ACTFL Oral Proficiency Interview protocol are the property of ACTFL. The use of these terms is restricted to those purposes prescribed by ACTFL.

Ratings given on the ACTFL scale are intended to be used in conjunction with the ACTFL Oral Proficiency Interview (OPI). ACTFL does not sanction the use of these ratings with other testing instruments.

# APPLICATION PROCEDURES

---

## APPLICATION PROCEDURE

### Eligibility for Application for Certification

The OPI Tester Certification applicant must be a language professional who is currently affiliated with an academic institution as defined by ACTFL\* and possess an undergraduate degree in a related field. After attending the OPI Assessment Workshop, a workshop participant is eligible to apply for Full or Limited OPI Tester Certification. After attending a Modified OPI (MOPI) Workshop, a workshop participant is eligible to apply for Limited Certification.

An online resource for the ACTFL Proficiency Guidelines can be found on the [ACTFL website](#).

\*An academic institution is an accredited school, college, or university where world languages are taught. The term affiliation with an academic institution is defined as a current faculty and/or staff member who is involved in the instruction or evaluation of language students. Private language companies that offer translation services or language testing do not qualify under ACTFL's definition of an academic institution. Private for-profit companies also do not qualify.

### The Application Procedure

Within **60 days** of completing a workshop, participants may apply for certification using the [online application](#). A current resume/CV of the applicant must be included with the application.

All applicants for OPI Tester Certification must demonstrate their own proficiency in the target language of certification. Candidates may demonstrate this proficiency through a current (within the last 2 years) Personal OPI issued by LTI. We will not be accepting advisory OPIs that are not second-rated by LTI. The proficiency certificate must be submitted at the time of application. To pursue Full certification you must meet Superior proficiency. To pursue Limited Certification you must meet Advanced Mid proficiency.

Applications submitted after the 60 day deadline and up to 120 days, will require applicants to attend an online refresher course ahead of the OPI training.

The Certification application fee is **\$450.00**. Payment may be submitted via credit card (VISA, MasterCard, or American Express) or personal check. You will receive acknowledgment via e-mail once your payment has been processed. Additionally, we accept purchase orders, please refer to [our website](#) for more information.

**NOTE:** Payments by check or purchase order will take longer to process.

---

## PERSONAL OPI

All candidates must demonstrate their own proficiency in the language of certification as well as meet minimum rater reliability by successfully completing an online rating activity.

### Arrange a Personal OPI

Prior to application, candidate will be responsible for providing a current proficiency certificate. Candidates have the option to purchase the Personal OPI directly through LTI or receive an advisory OPI through their Institution. If an advisory OPI is obtained initially, the advisory OPI must then be sent to LTI for second-rating and certification via the Candidate Institutional Upgrade program (information at end of packet).

The results of the OPI will inform the decision regarding the type of certification the candidate will be able to obtain:

- Full Certification requires a rating of **Superior**. This certification will allow you to rate interviews officially from Novice to Superior
- Limited Certification requires a minimum rating of **Advanced Mid**. This certification will allow you to rate interviews officially at the Novice and Intermediate.

If an OPI Tester applicant pursuing Full Certification does not receive a Superior rating on the Personal OPI but has scored either at the Advanced Mid or Advanced High level, the applicant may choose to continue the certification process for Limited Certification. The applicant may also choose to continue pursuit of Full Certification but will be required to retest and score at the Superior level. There is an additional fee of \$100 for a retest.

If an OPI Tester applicant pursuing Full or Limited Certification does not receive at least an Advanced Mid rating on the Personal OPI, the applicant must retest and receive at least an Advanced Mid rating to qualify for certification. There is an additional fee of \$100 for a retest.

---

## CERTIFICATION POLICIES

### Cancellation Policy

Application fees for ACTFL OPI Tester Certification are non-refundable except under extenuating circumstances that are approved by ACTFL and provided that no portion of the certification process has already been initiated by the applicant. Cancellation notices must be submitted in writing or by email within 45 days from original notice of processing of the application. If approved by ACTFL, a \$50.00 processing fee will be deducted from the application fee to issue a refund to the applicant.

### Late Penalties

The Certification process must be completed within **one calendar year** from the date of admission into the program. Candidates who do not complete certification within the one-year deadline may be able to pursue certification, with ACTFL approval, by purchasing either a 6-month (\$75) or 12-month (\$150) extension. Additionally, it may be required that you take an online refresher course (\$75) depending on where and when you stall out of the certification program.

### Accommodations

ACTFL reserves the right to adapt the certification process to accommodate extenuating circumstances for all Candidates.

*Americans with Disabilities Act Compliance:* ACTFL will make every effort to accommodate the special needs of all Candidates.

# CERTIFICATION PROCESS OVERVIEW

The ACTFL OPI Tester Certification Process is a rigorous process designed to train and certify quality ACTFL OPI Testers in highly advanced language assessment concepts and skills. **It is highly recommended that applicants prepare for the Certification activities and timeline immediately upon submitting an application.**

<p><b>PHASE 1: ONLINE RATING ACTIVITY</b></p>	<p>All applicants for OPI Tester Certification must meet minimum rating reliability standards and demonstrate an understanding of the OPI assessment criteria for rating. Candidates will meet the required rating reliability by completing an Online Rating Activity.</p>
<p><b>PHASE 2: GUIDED INTERVIEWS</b></p>	<p>The OPI Tester Candidate will conduct two guided OPIs over the phone with the assistance of an ACTFL OPI Facilitator.</p>
<p><b>PHASE 3: INDEPENDENT INTERVIEWS</b></p>	<p>All applicants for OPI Tester Certification must demonstrate the capability to apply ACTFL testing protocols when conducting OPIs and generate ratable OPI samples. OPI Tester Candidates will prepare and submit two rounds of OPIs for this step.</p>
<p><b>PHASE 4: CERTIFICATION INTERVIEWS</b></p>	<p>The OPI Tester candidate will conduct Independent Interviews to submit to ACTFL for critique. The candidate will receive feedback on these interviews as well as guidelines to submit a set of Certification Interviews, which will be evaluated to recommend the candidate for certification.</p>

## SUGGESTED CERTIFICATION PROCESS TIMELINE

The Certification Process should be completed within one (1) calendar year from admission. Candidates may progress through Certification activities faster than the suggested timeline provided below. The timeline below is not a formal timeline and is provided as a suggestion only. This timeline is offered to assist you in considering the average time spent within each stage of the certification process so that you can plan accordingly. No formal extensions are needed between phases of the process provided you are still within the one calendar year timeline. If you find that you will not be able to meet the one-year deadline, extensions are available for purchase.

## PHASE 2: GUIDED INTERVIEWS

Candidates will conduct live interviews under the guidance of an ACTFL facilitator using teleconferencing system (see appendix for conferencing instructions). An ACTFL facilitator will be assigned to the candidate by an ACTFL staff member. During the guided interviews, the facilitator may request that the candidate pause the interview so they can provide feedback on the candidate's testing technique. Following the OPI, the facilitator will provide candidate with immediate feedback on candidate's structure and elicitation skills. Please note candidate will be responsible to contact the facilitator to coordinate the conference call during which the interview will be conducted.

The candidate will be required to conduct different levels of interviews depending on the type of certification they are pursuing:

LIMITED CERTIFICATION	FULL CERTIFICATION
Conduct 2 guided interviews: One NM-IL and one IM-IH	Conduct 2 guided interviews: One NH-IH and one AM-S

### Finding Interviewees

Interviewees used in the certification interviews should be second-language learners of the target language. Qualified candidates include students and colleagues educated in the target language. You may use interviewees from your own school, local academic institutions, or other organizations where you may be able to find second-language learners of the target language, but please avoid using your own students and close family members.

ACTFL requires that children and adolescents (pre-teens) should not be used as OPI candidates for any ACTFL certification procedures.

## PHASE 3: INDEPENDENT INTERVIEWS

LIMITED CERTIFICATION	FULL CERTIFICATION
Select and submit a total of <b>THREE (3)</b> OPIs as follows:	Select and submit a total of <b>FOUR (4)</b> OPIs as follows:
One Novice Mid (NM) or Novice High (NH)	One at each major level (Novice, Intermediate, Advanced, Superior)*
One Intermediate Low (IL) or Intermediate Mid (IM)	
One Intermediate High (IH)	
	*Two of the four OPIs must be at a “high sublevel” (eg. NH, IH, AH) *Include the sublevel when providing a rating

Once you have prepared your interview recordings with OPI Rating Grids and Certification Rating Summary Sheet, please follow instructions on how to electronically transfer materials to submit for review (See Appendix). Please note sending OPIs by email is not allowed.

### Receiving Feedback on Independent Recorded OPIs

You will receive written feedback on those Independent Interviews that were selected for review. Once you have prepared your interview recordings with OPI Rating Grids and Certification Rating Summary Sheet, please follow instructions on how to electronically transfer materials to submit for review (See Appendix). Please note sending OPIs by email is not allowed.

---

## NOTIFICATION OF OUTCOME

You will receive direct notification from ACTFL of the results of your Recommendation for Certification within approximately 60 days. To be recommended, you must receive 7 of a possible 9 points as described in the Certification Evaluation Criteria and Point Scale Chart (see Appendix). Three points must be assigned in the Rating Reliability Category. No category may receive 0 or 1 point.

Review of the Independent Interviews can result in any one of the following outcomes:

- Tester candidate is recommended for Certification
- Tester candidate is NOT recommended for Certification
- Tester candidate may be asked to submit additional OPIs or pursue additional training opportunities (Instructions & Fees to be provided on case-by-case basis).

---

## AWARDING TESTER CERTIFICATION

Certification is awarded, and a Tester Certificate is issued by ACTFL when ALL of the following criteria are met:

- Candidate has been recommended for Certification
- Official OPI rating is at appropriate level (as demonstrated by Personal OPI)
- **OPI Tester Agreement is signed and returned to ACTFL\***

\*Recommended applicants for Certification will receive the OPI Tester Agreement at the time of notification of recommendation for Certification. Certification will not be awarded, however, if the OPI Tester Agreement is not signed and returned to ACTFL.

Newly certified ACTFL OPI testers will receive the ACTFL Certified OPI Tester Rights, Responsibilities & Opportunities Packet, which outlines the Rights and Responsibilities of certified ACTFL testers as well as important information regarding Recertification, Tester Norming and Refresher opportunities, Dual Certification, Certification Advancement, and participation in the Official ACTFL Testing Program.

## OPI INTRODUCTION FOR CANDIDATES

Every ACTFL OPI contains an introduction **in English** to specify the content and format of the interview to the interviewee. OPIs recorded for certification can be conducted either face-to-face or via phone and must all be recorded. Begin the interviews by introducing yourself and asking the interviewee to state his/her name for the recording. Then, read the following OPI introduction in English:

I am an ACTFL OPI Tester Candidate and I will be conducting an Oral Proficiency Interview (OPI) with you as part of my training to become a tester. Thank you for agreeing to volunteer for this interview today (MONTH/DAY/YEAR) at (time HOUR/MINUTE). The purpose of this interview is to demonstrate my ability to assess your language speaking proficiency in standard (*language*). Please use (*language*) throughout the interview.

The interview is being recorded and will last between 15 and 30 minutes. As this is a practice interview, it will not be scored with an Official ACTFL OPI rating, but I will be happy to provide you with some feedback on what you can and cannot do with language according to the ACTFL Proficiency Guidelines.

During the interview, we will discuss a variety of topics. If you are uncomfortable with a topic that I may introduce, please let me know and we will discuss another topic. There may be instances when I need to interrupt you in order to change to a different topic.

Your personal opinions and points of view will not in any way affect your rating. However, in some cases, your ability to state and support opinions will be evaluated.

At some point during the interview I may ask you to participate in a role play situation with me. I will introduce the role play in English; then you and I will act out the situation in (*language*). Your participation in the interview is very important and will help you to show your (*language*) ability at its best.

Do you have any questions before we get started?

*If the candidate has no questions, then begin the interview in the target language.*

<b>3 POINTS (EXCELLENT)</b>	<input type="checkbox"/> Tester is effective in eliciting interviewee's best performance. Topics are drawn from interviewee's interests and experiences, developed at level and spiraled as probes. For the most part, questions are selected purposefully. Tester demeanor and behavior are appropriate for the level of proficiency and the linguistic needs of the speaker.	<input type="checkbox"/> Interview structure elicits a clearly ratable sample. Warm-up and wind-down are effective. Level checks and probes clearly prove a floor and ceiling over a variety of topics. The role-play is used fruitfully, and integrated into the interview as either a level check or probe.	<input type="checkbox"/> Ratings are reliable. Ratings of applicant and facilitator correspond precisely on at least 50% of interviews, and within a contiguous sub-level on the remaining interviews.
<b>2 POINTS (GOOD)</b>	<input type="checkbox"/> Tester is generally effective in eliciting a ratable sample, though some elicitation may be ineffective. For example, speaker may be allowed to ramble or focus on a "hot house special." Some topics may not be successfully developed and/or spiraled. Some questions may not be fruitful. There may be a tendency to be too formal/informal and/or too helpful/demanding.	<input type="checkbox"/> Interview structure generally elicits a ratable sample, although warm-up, role-play, and wind-down may not always be used to advantage. Level checks and probes may not be appropriately alternated and/or too much time may be spent on one or the other.	<input type="checkbox"/> Ratings may occasionally be unreliable due to errors at a particular level or at major borders.
<b>1 POINTS (FAIR)</b>	<input type="checkbox"/> Elicitation manner impedes the ability to accurately assess the language of some interviewees. Tester may favor/ignore topics, impose topics, and/or fail to develop topics. Common problems include: changing topics abruptly, abandoning probes, and exhibiting "teacher behaviors" such as summarizing, rephrasing, and/or correcting.	<input type="checkbox"/> Interviews exhibit some adherence to the OPI structure, but, for the most part, do not result in ratable samples. Common problems include: standardized or inadequate warm-ups and wind-downs, ineffective role-play situations, insufficient testing of functions, and failure to prove floor/ceiling.	<input type="checkbox"/> Ratings are unreliable, either consistently over- rated or under-rated.
<b>0 POINTS</b>	<input type="checkbox"/> Elicitation manner is inappropriate and impedes accurate evaluation of most interviewees.	<input type="checkbox"/> Most interviews exhibit a lack of structure. Common problems include: neglecting phases of the OPI, failing to prove functions, pitching the interview at the wrong level, and asking random questions.	<input type="checkbox"/> Ratings are unreliable with no evident pattern of error.

## HOW TO SET UP A TELECONFERENCE FOR CONDUCTING INTERVIEWS

The OPI Tester Candidate will need to coordinate with the interviewee(s) to determine a mutually agreed date and time to conduct the interviews. Below are guided options to set up a teleconference call along with recording options to playback the call when conducting the OPI. **To prevent audio interruption, all participants should call in from a quiet place. Please also be sure that you have clear, strong phone service when calling to prevent any dropped calls during the conference.**

**NOTE:** Interviewee should be informed beforehand that call may be recorded. Interviewee may also call into conference and does not have to be with the Tester Candidate face-to-face.

### **OPTION 1:** How to set up a conference call on an **iPhone or Android**

1. Place a **call**.
2. From the **in-call menu**, tap **Add Call**. While you dial the second number, the first **call** will be placed on hold.
3. Once you have the other person on the line, tap **Merge Calls** to connect everyone.
4. Repeat steps two and three to add other people to the **conference**.

**OPTION 2:** Tester Candidates may set up a teleconference using a free teleconferencing service. For this, ACTFL recommends <http://www.freeconferencecall.com/>. To create a service account, the OPI Tester Candidate will need to provide only a host username and valid email address. Once the teleconference account is created, you will receive an email at the email address used to set up the account containing the following:

- Conference Call Number
- Host Access Code
- Participant Access Code

At the time of the teleconference appointment, the Tester Candidate can use Conference Call Number and Host Access Code to initiate the conference. The interviewee may call into the teleconference using Conference Call Number and Participant Access Code.

The Tester Candidate may record the call at any point by dialing \*9. An announcement will then be made that the call is being recorded. To stop recording, dial \*9 again. Immediately upon the end of the call, the Tester Candidate may download an mp3 file of the recorded segments by accessing the file in the teleconference account.

**OPTION 3:** [www.zoom.us](http://www.zoom.us)

This website offers simplified video and audio conferencing and messaging across any device. The basic plan is free of charge and it includes the following options:

- Host up to 100 participants
- Unlimited 1 on 1 meetings
- 40 mins limit on group meetings
- Unlimited number of meetings
- Online support

#### EXTRA CHARGES AND FEES

ACTFL will not reimburse any incurred calling charges for Tester Candidates or interviewees to call into conference. Tester Candidates may avoid any long-distance phone charges by calling in from university office phones or Skype calls.
